

A close-up photograph of a hand holding a white tampon. The hand is positioned in the upper left corner of the frame.

# Proud to be a *period positive* workplace.

We're working with TOTM to champion menstrual dignity and wellbeing at work.

Reduce waste every cycle with TOTM's eco-conscious range of tampons and pads.

Made with responsibly-sourced organic cotton and natural materials, this high-quality, ethical period care collection is made with your body and the planet in mind.

*Please take what you need.*  
Remember to always bin your period care products after use.
